LACROSSE

WANTS YOU TO
PLAY LACROSSE
IN ITS UPCOMING FALL SEASON

The sport of lacrosse is a combination of basketball, soccer and hockey. Anyone can play lacrosse - big or small. The game requires and rewards coordination and agility, not brawn. Quickness and speed, not size, are two highly prized qualities in lacrosse. An exhilarating sport, lacrosse is fast-paced and full of action. Long sprints up and down the field with abrupt starts and stops, precision passes and dodges are routine in men's lacrosse. Lacrosse is played with a stick, the crosse, which must be mastered by the player to throw, catch and scoop the ball.
